

What do you need to do to stand out and impress your future employer?

## ***Your Career Your Future***

This two-day workshop will provide you with the knowledge you need to put your best foot forward in the competitive job market.

Learn how to:

- Source employment opportunities
- Create a resume that truly reflects you
- Compose effective covering letters
- Prepare for an interview (What are the questions you will be asked? What are the questions you should ask?)
- Conduct yourself in the workplace when you get the job.

***Get current, up-to-date information from an expert.***
